

## Environmentally Safe

- > Biodegradable
- > Non-toxic
- > Non-corrosive
- > Contains no aliphatic hydrocarbons
- > Contains no water- will not freeze

## Specifically Formulated

Cable Clear is specifically formulated to clean:

- > CATV cable
- > Filled (PIC) telephone cable
- > Fiber optic cable, plastic tubes and cladding
- > Electrical cable
- > Tools and equipment

## Quickly Removes

Its full strength formula quickly removes:

- > Cable floodant
- > Fiber optic gel
- > Water blocks
- > C-cement
- > Filling compounds
- > Grease and oil
- > Asphalt coastings
- > Other petroleum- based materials

## Field Testing

Field Testing Confirmation.

Independent lab testing and actual field usage show Cable Clear to be highly effective in telecommunication applications. Its full strength formulation cleans without detrimental effects on CATV tubing or sealing properties. Cable Clear quickly and easily removes cable floodant, saving both time and money!

Reduces Concerns about Safety, the Environment and Regulations.

Cable Clear is an excellent alternative to dangerous solvents and petroleum-based cleaning agents. It minimizes irritation to workers and will not harm the environment.

## Available in Convenient Sizes

- > Towelettes (12 per pack; six packs per case)
- > One-gallon containers (four per case)
- > Five-gallon pails
