

Environmentally Responsible!

- > Biodegradable
- > Non-toxic
- > Non-corrosive
- > CFC Free

Safe to use on

- > Aluminum
- > tile
- > Chrome
- > Stainless steel
- > Other aerospace, automotive and industrial parts and surfaces

Thick, Stable Foam

FoamaxX produces a thick, stable foam that clings to vertical surfaces long enough of the degreasing action to occur. It's ideal for cleaning:

- > Tools & equipment
- > machinery
- > drill bits
- > metal parts
- > vent hoods
- > trash receptacles
- > engines

Industrial Strength

FoamaxX is an industrial strength foaming aerosol that powers away:

- > Grease & oil
- > Inks
- > tar
- > tape residue
- > tree sap
- > markers
- > animal fats
- > crayon
- > Cosmoline & wax
- > Adhesives
- > Other tough substance

Easy to Use

Simply spray FoamaxX directly on the surface! FoamaxX clings wherever it's sprayed and quickly dissolves tough contaminants, especially on vertical surfaces.

Reduces Concerns

Reduces Concerns about Safety, the Environment and Regulations.

FoamaxX is biodegradable, non-toxic, non-corrosive and free of chlorinated solvents. It's the environmentally friendly alternative to hazardous solvents. Safe for workers and the environment.

FoamaxX complies with major regulatory guidelines and alleviates the confusion and concerns associated with compliance.

Available in Easy-to-Handle

- > 17-ounce aerosol cans (12 per case)
