

## Clean-Up Jobs

Handy for Tough, everyday clean-up jobs such as:

- > Hard surfaces (especially vertical)
- > Stove tops & counter tops
- > Upholstery stains
- > Vehicle parts/engines
- > Other difficult clean-up jobs

## Environmentally Responsible!

- > Biodegradable
- > Non-toxic
- > Non-corrosive

## Wipes Out

General Purpose Foam wipes out:

- > grease
- > ink
- > road film
- > tree sap
- > fingerprints
- > oil
- > grime
- > wax buildup
- > other stubborn contaminants

## Gently and Safely

General Purpose Foam gently and safely cleans:

- > aluminum
- > chrome
- > stainless steel
- > tile
- > porcelain
- > variety of other surfaces (do not use on vehicle instrument panels or dash)

## Simple and Speedy

Just spray General Purpose Foam directly on the surface, whether it's large area or tight spot. General Purpose Foam clings where it's sprayed and quickly dissolves filth away.

## Reduces Concerns

Reduces Concerns about Safety, the Environment and Regulations.

General Purpose Foam is biodegradable, non-toxic, non-corrosive and free of petroleum distillates. It's safe for workers and the environment. It's the eco-friendly alternative to dangerous and environmentally harmful products.

## Available in Easy-to-Handle
